The Alexa Silver Bat Mitzvah Family Spotlight

The Silver family from Suffern, New York, celebrated daughter Alexa's Bat Mitzvah on Sunday, April 12, 2015. The service and party were both held at the Royal Manor, an event venue in Garfield, New Jersey.

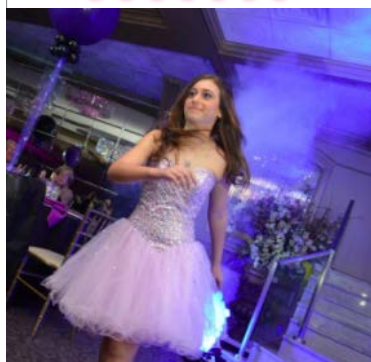

The logo was a hashtag #allaboutalexa with accents of purple throughout and many creative DIY touches.

Pictured L-R: Brother Jake, Mom Alissa, Bat Mitzvah girl Alexa and Dad Daniel in front of the logo'd Step-N-Repeat from Magic Moments.

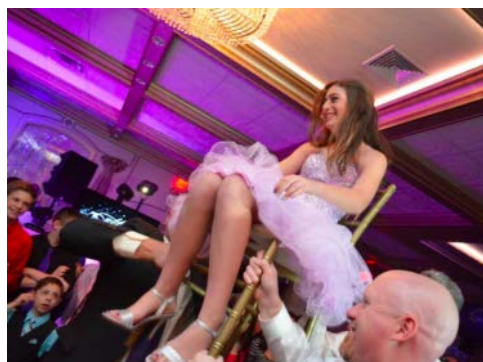

The photographer was **Magic Moments** and the rest of the vendor information is listed at the end of the spotlight.

Mitzvah Music

MC Pete and the **Magic Moments** entertainment crew kept guests on the dance floor all night.

Alexa makes her entrance. She's up in the chair for the horah.

All of the guests got involved in the action on the dance floor.
